Youth! Dance and Be Merry

Tomorrow you will find your favorite dance frock here! Will it be of silk chiffon—clouds of it—to flutter to the rhythm of the dance? Then choose the frock at the left above that fastens its fluttering lengths with roses of old gold tissue. Or chiffon taffeta, slightly basqued, makes the frock at the right—a wide band of cording to hold wide its skirt, hand made roses, too, and wheels of frilling, silver-edged. Both in orchid, turquoise, peach, coral, jade or black. Sizes 14—16—18 years.

They are made of those soft, fine qualities of crepe de Chine and georgette crepe that are so typically French. The frock at the right—in navy, black and henna—features a new wide sleeve.
